

Islip, NY - Islip Town Supervisor Phil Nolan will accept Household Hazardous Waste and E-Waste at the Town's annual Fall Stop Throwing Out Pollutants (STOP) Day, which will be held on Saturday, September 25th from 9 am to 2 pm at the Multipurpose Recycling Facility, located at 1155 Lakeland Avenue in Holbrook.

"Come down to the Multipurpose Recycling Facility on Saturday to do your part for the environment," said Supervisor Nolan. "This STOP Day is also a great opportunity to teach your children the importance of properly disposing hazardous goods."
